Augmented Reality Platform

Take advantage of heavily discounted educational AR seats with Zappar AR/VR

This currently includes:

ONE-MONTH FREE TRIAL OF ZAPWORKS

Plus a time-limited extra 10% off ZAPPAR's annual plan throughout June /July with Enlighten promo codes.

Virtual Reality solutions

With a variety of VR hardware and software solutions we are particularly proud to offer the BLC the world's first virtual reality system designed for the classroom.

ClassVR provides full control and management of multiple headsets in the classroom, allowing lecturers a quick and simple way to send their lesson to multiple headsets and view and monitor student progress.

We can offer the BLC an exclusive 10% discount on all advertised prices.

Not sure where to start with Augmented/ Virtual Reality?

An Enlighten consultation will answer your questions and show you how AR can unlock opportunities for your institute making the most of the new reality. Take your learning and marketing beyond reality with an enhanced Augmented Reality experience.

We are offering a free consultation session for every BLC member institute.

AR/VR Design & Development workshops

Sessions cover easy ways to incorporate the AR/VR into your institute's lesson plans.

Free Lesson Plans & AR materials for workshop sign ups.

Bespoke AR/VR content development

We develop AR/VR content specifically for your curriculum needs. We are currently offering 10% off all AR/VR content development campaigns. To reduce your costs further we offer Shared IP options for any BLC members who wish to generate a ROI on AR/VR content projects.

With our extensive network of manufacturers, we can provide competitively priced IT Equipment including education pricing on the standard Microsoft products.
