

“Accessit has changed the way we work with our data and changed the learner experience through the ease with which they can access and use resources. Everything is easier, both from a Librarian perspective and for the end user.”

Kevin Arscott, Coleg Gwent

FLEXIBLE AND CONFIGURABLE

Works for every type of faculty, campus and resource, integrating with virtually all IT systems.

ENGAGING LEARNER EXPERIENCE

Accessit will empower your learners to be active participants in their own education and discovery.

COMPREHENSIVE SEARCHING

Accessit provides a powerful discovery tool, locating content within and beyond the library catalogue.

EXCEPTIONAL CUSTOMER SUPPORT

Our support team are real people with library experience, eager to assist you.

ROBUST AND RELIABLE

The system runs itself with little need for IT intervention.
