THE SPACE - WHAT TO EXPECT

Our rooms enable the delivery of outstanding digital learning experiences for students and lecturers. Consistent in design, each room accommodates the practical, social and digital needs of the today's classroom including:

- ✔ 5 X 86" HD SCREENS
- ✔ 2 X ULTRA HD PTZ CAMERAS, WITH UPTO 20X OPTICAL ZOOM AND LECTURER TRACKING
- ✔ GROUND-BREAKING HD AUDIO AND 8,192 VIRTUAL MICROPHONES
- ✔ OPTOMA VISULISER
- ✔ REMOTE APP

THE PLATFORM - VSCENE

Classes are connected using Vscene, the only global service developed for education and research. Vscene allows students and teaching staff to connect using real-time audio and HD video, helping to facilitate immersive, humanised learning and is used by over 2,000 education, research and public sector organisations. This highly secure platform uses end to end encryption across UK hosted servers, in government approved data centres of the Janet and SWAN networks.
