

Meet The Learning Platform That Powers The World's Smartest Classrooms.

Amplify teaching. Elevate learning. And intensify impact. It's the connective education solution that helps us all learn better together.

Through software, assessment tools, content, professional development, partner technologies and a million-member-strong user community, the Instructure Learning Platform makes learning more personal and student success more equitable.

Get to know [Instructure and the Instructure Learning Platform here.](#)

Instructure is delighted to offer members of the BLC a 25% discount on the license price on all deals procured directly with Instructure for the full contract duration.

To schedule a demo or to discuss your institution's specific needs, please reach out to Matthew Mcshane, Regional Director for Further Education, at: matthew.mcshane@instructure.com
